

## Central New Hampshire

Health Partnership  
& Public Health Advisory Council

The **Central New Hampshire Health Partnership (CNHHP)** is a collaborate of organizations working to improve the health and wellbeing of central New Hampshire communities with an emphasis on the delivery of the 10 Essential Public Health Services.

The role of the **Public Health Advisory Council (PHAC)** is to advise the CNHHP on regional public health priorities based on assessments of community health; guide the implementation of evidence-based programs; and advance the coordination of services among partners.

- Join a Workgroup
- Attend Community Lunch and Learns and/or Events,
- Support Local Emergency Preparedness Activities by Registering with NHReponds.org
- Promote Regional Public Health-Related Activities and Events
